

THE HONOR  SOCIETY OF
PHI KAPPA PHI

February 6, 2017

Dear Dean Simmons:

Congratulations! One hundred and seventy students from your college have been invited to become members of The Honor Society of Phi Kappa Phi in recognition of their outstanding academic achievements. Please see the enclosed list. Students who accept membership will be inducted into the Society at the Annual Initiation Ceremony and Banquet of the Michigan State University Chapter on Saturday, April 8, 2017 at the Wharton Center for Performing Arts.

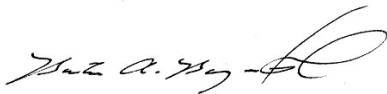

The Honor Society of Phi Kappa Phi is the nation's oldest, largest, and most selective all-discipline honor society. Membership is by invitation only to the top 10 percent of seniors and graduate students and 7.5 percent of juniors. Faculty, professional staff, and alumni who have achieved scholarly distinction also qualify. The Society's mission is "To recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others."

Phi Kappa Phi has chapters on more than 300 select college and university campuses in North America and the Philippines, and inducts approximately 30,000 students, faculty, professional staff, and alumni every year. Once inducted, Phi Kappa Phi members gain a lifelong passport to a global network of academic and professional opportunities. Since its founding in 1897, more than 1 million members have been initiated. Some of the organization's more notable members include: former President Jimmy Carter, Secretary of State Hillary Clinton, writer John Grisham, Supreme Court Justice Ruth Bader Ginsburg, acclaimed jazz musician Ellis Marsalis, YouTube co-founder Chad Hurley, and Nobel laureate Linus Pauling.

Since it was first organized in 1927, the primary objective of the Michigan State University Chapter of The Honor Society of Phi Kappa Phi has been to promote the pursuit of excellence in all fields of higher education—theoretical and applied, or liberal arts and professional. Undergraduate and graduate students, faculty, and staff are initiated into Phi Kappa Phi in recognition of their outstanding academic achievements.
